Nicolas Matei

23 years old
nicola.matei@gmail.com
Master's degree in Cryptography

Internship Experience

Period **March 2026 — September 2026**
Institut Mines Telecom (IMT), RS2M team Palaiseau
Quantitative Security Evaluation of Protocols: from Symbolic Verification towards Timed Models
Master's Thesis available at:
`https://github.com/NicolasMatei/master_thesis/blob/main/Master_Thesis_Nicolas_Matei_2026.pdf`

Period **May 2025 — July 2025**
IRISA institute, SPICY team University of Rennes
Formalizing cryptographic constructions in Squirrel Proof Assistant

Education

Degree **Master of Cryptography**
University **University of Rennes - CyberSchool** Rennes, France
2024-2026

Degree **Bachelor Degree of Mathematics**
University **Sorbonne University, Jussieu** Paris, France
2023-2024

Degree **Classes Préparatoires MPI**
(Maths, Physics, Computer Science)
CPGE **Janson-de-Sailly** Paris, France
2021-2023

Degree **Baccalauréat filière générale**
Maths and Computer Science, Bilingual (OIB) French & English
Lycée **Saint-Vincent Providence** Rennes, France
2018-2021

Skills

Programming Languages	C, C++, Lua, OCaml, SageMath, Magma, Python, Java
Proof Assistants	ProVerif, Squirrel, IsabelleHOL
Computer Skills	Linux, Gentoo, static code analysis and compilation
Networking Skills	Network protocols (ARP, DHCP,...), Scapy, Wireshark
Cryptographic Skills	Cryptographic primitives (block ciphers, AES, DES,...), security games (IND-CPA, EUF-CMA,...) and security proofs, blockchain
Mathematical Skills	Algebra, Lattices, Error-Correcting Codes, Finite Fields, Ring Theory, Elliptic Curves, Grobner Basis, Complexity, Algorithms, Graph Theory, Combinatorics, Entropy, Functional Analysis

Languages

French	Native level
Romanian	Native level
English	Cambridge C1
Italian	Studied in Highschool

Extracurricular

Piano Practice	Intermediary Level
Combat Sports	4 sessions a week

Conference Publications

- **Orange - Télécom SudParis collaboration : formal verification of security properties in moving target defense strategies**, Nicolas Matei, Benjamin Bisping, Philipp Schlehuber-Caissier, Natalia Kushik, Chrystel Gaber, Jean-Philippe Wary, *AFADL GDR Scilog*, 2026
